As she understands it Marine SEO would upload reminders/updates, etc from National to keep our squadron on par with other squadrons in our district and nationally. Anyone visiting our page would be directed to our squadron if they are within 100 miles of us. Commander Hart answered Denise's question in the affirmative.

Commander Hart has been nominated to become D/5 Secretary.

The NVSPS COW and election will be held at the March 11, 2025 zoom meeting.
