**Commander's Report**

D5 Spring Conference will be held 3/30-4/1/2012 at Ocean City at the Princess Royale. Reservations are now being accepted, and forms were provided. We will have a hospitality suite. Last year, we won the award for "Best Hospitality Suite." A committee has been formed. If anyone wants to be on the Committee, please let Cdr know.

Baltimore Boat Show will be held in Baltimore Harbor, January 20-22, 2012. D5 is seeking volunteers to man their booth. Admission is free with service at the show. They are particularly looking for volunteers to man the booth the afternoons of the 20<sup>th</sup>, 21<sup>st</sup>, and 22<sup>nd</sup>.

**Executive Officer's Report**

XO advised that the next issue of our newsletter will be a combined January/February issue and submissions will be due on 1/25/12.

We need volunteers for public relations, particularly to do a media write-up for the Change of Watch. XO asked for interested persons to contact him.

### **Nominating Committee**

George Nartssisov reported: Ron Larson, Chair of the Nominations Committee, held all meetings via conference call. Members of the Committee were Tom Martin, Norbert Hymel, Frances Williamson, Dwight Bues, and himself. Our slate of recommendations for next bridge members and committee chairs has been submitted to the Executive Committee and was passed out to the membership at this meeting. A vote will take place at the March meeting before the Change of Watch. At that time, you can vote for the slate we recommended or you can submit changes. The Committee had a very difficult time coming up with the slate because of a lack of willingness on the part of members to commit themselves to a position. We tried to solicit newer members with little luck.

### **Commander**

Cdr John Karjala reported on behalf of AO Jay Nelson, the Change of Watch will be held on 3/24/2012 from 1100 to 1330 hours at the American Legion Hall. XO Frank Shults will serve as emcee. It will be a luncheon, probably in the small room, where we held the Holiday Party. The room was perfect, made it an intimate gathering. The D5 commander and his wife attended and sent a lovely thank you note.

Cdr Karjala further advised that the commander of Dundalk Squadron has asked us to donate a raffle item for the D5 conference auction. We have decided to donate a basket of wine and spirits. Items are requested. If you do not wish to give alcohol, you can write a check to NVSPS if you'd like instead and give it to the Commander. Donations are tax deductible.

Inflatable life jackets—we cannot account for two of the inflatable life vests provided to us by D5 on behalf of the US Coast Guard. Check your bilges and the far corners of your boat to see if you might have one.

### **Squadron Education Officer's Report**

CPR course is scheduled for January 14, 2012. There are three more slots open. Instructor was happy with the facilities.

**Unfinished Business**

P/C Francis Williamson: The Fairfax Boat Show will be held 3/8-11/12. Ed Phillips needs a helper to set up on the 8<sup>th</sup>. The contract is in place. It is unknown whether or not we will be charged a fee for the booth at this point. He also needs people to man the booths.

Norbert Hymel was presented with a Certificate of Educational Proficiency.

P/C Williamson asked that the website calendar be updated; it didn't go beyond December currently. Sean is addressing with Jay.
